

solutions from start to finish ...

auxiliaries

- ALPS • Bottle leak testers
- Athena • Temperature controllers, hot runner controllers, thermocouples, solid state relays
- Avalon • Vision systems for mold protection and part inspection
- HY Robotics • Pickers, robots, automation
- MAC Automation • Conveyors, separators, part handling
- MAC Equipment • Powder handling and filtration
- Maguire • Gravimetric blenders, feeders for liquid, powder and pellets, vacuum dryers
- NBE • Silos, bulk storage, pallet tilters, super-sacks handling, screw conveyors, mixers
- Rapid Granulator • Grinders
- Sterling Systems • Blowers, cyclones, fine separators
- Thermal Care • Cooling towers, chillers, temperature control units for water and oil
- Thoreson McCosh • Dryers and material handling

assembly/test/decorate

- BRANSON • Plastic joining with ultrasonics, vibration, laser, infrared, spin, heat stake and hot plate
- AmTech • Ultrasonic metal welding and sealing
- CTS CINCINNATI TEST SYSTEMS • Leak and functional testing
- trans tech • Pad printing equipment and supplies

training

- Paulson Training Programs, Inc. • Interactive and online training systems for injection, blow molding and extrusion

materials, colorants, additives

- Bayer • Makrolon polycarbonate, Texin polyurethane, Bayblend PC/ABS, Makroblend PC/polyester (PR only)
- Bergen • Foaming and nucleating agents
- Cromex • Masterbatch colorants and additives
- Plastex • PE, PP, compounds, acetal
- Riverdale • Liquid colorants and additives
- Samsung • Starex HIPS, ABS, Clear ABS, PBT, PPS

accessories

- Columbian • Silos, smooth wall bolted and welded
- DAC • Mold release, cleaners, degreasers
- Phelps • Truck dumpers
- Plastex • Heaters and thermocouples
- Smartflow • Water manifolds, flow meters
- Xaloy • Screws, barrels, tips; new and rebuilding. Shut-off nozzles, melt pumps, screen changers
- Staubli • Water, oil and air quick connectors, quick clamping
- Unitherm • Barrel/Heat insulation

reprocessing

Sale and purchase of recycled industrial plastic including among others acrylic, ABS, SAN, HDPE, LDPE, EVA, PETG, PC, HIPS, PVC rigid and flexible, and PP

... serving the plastics industry since 1980
